All,

As Richard and I discussed today, the Forms 6166 are starting to come in. Today we have received the Forms for the following plans:

- Plumrose Industries LLC Roth 401K Plan
- Green Scale Management LLC Roth 401K Plan
- RAK2 Investment Trust
- Aerovane Logistics LLC Roth 401K Plan
- True Wind Investments LLC Roth 401K Plan
- Loggerhead Services LLC Roth 401K Plan
- Basalt Ventures LLC Roth 401K Plan

We will reach out to the reclaim agents and coordinate sending of the Forms to them so they can move on the reclaims.

Regards,
 Peter

That's great news. Once they start arriving, we should communicate with Goal, Acupay and SynTax to let them know. They will need a number of originals and then they should start filing the reclaim requests for the August TDC trade.

I hope the move to the new offices has gone smoothly and you are all enjoying the new space.

Jessica and Claudia from Old Park Lane called me this morning to ask when we might be able to start the on-boarding process for the 6 new plans. I think you told me last week that the plan documents were starting to come in??

I asked Jess if any thing had changed with regard to the process and the only thing they mentioned was some slightly different language for the certification that accompanies many of the documents. They will send it to you via email. If we are close on having the plans established, maybe we can get on a call with them Wednesday and discuss the on-boarding process.

Also, what updates do you have from the IRS on the 6166s?

Thanks,

Richard
